

5th International Workshop

“Mountain-oriented Education in Alpine Protected Areas”

3 – 5 October 2018
Trenta – Triglav National Park
TNP Info Centre Dom Trenta, Slovenia

The 5th International Workshop on “Mountain-oriented education in Alpine Protected Areas” aims to foster discussion and exchanges among staff of the protected areas responsible for educational activities and educators on the latest environmental educational and pedagogical approaches. The workshop will link theory and practice. It will focus on: the use of technologies (smartphones, video, camera) for the environmental education activities and the engagement of the alpine young generation for their protected area.

This workshop is organised by ALPARC in partnership with the Triglav National Park.
